**The Buffalo Bill Museum
& River Pilots' Pier**

Thank you for supporting the museum in 2013 with your membership, visits, and participation in our events and fundraisers.

We hope your support will continue with a membership renewal, and visiting our expanded facility opening in the Spring of 2014!

It's been an exciting year for us. . . and we invite you to join us!

Highlights from 2013:

- The fourth phase of museum construction is underway, expanding the facility by 1,400 square feet. It will allow us to offer an archival library, “hands-on” children's learning room, and additional exhibits highlighting the fascinating history of our region, and life along the Mississippi River.
- As you read this letter, we may have welcomed our 18,000th guest in 2013. . . another record year, the third record year at the museum.
- Over 35 volunteers are now dedicated to providing guided tours, welcoming guests, developing exhibits, operating a gift shop, and archiving the artifacts and print materials preserved by the museum since 1957.

Won't you join in supporting the museum in 2014, with a membership? We believe the museum's growth and success is due to volunteers and members, like you. We hope you'll take a moment and renew your membership today. Remember, members are entitled to free admission throughout the year.
