Volunteers are the backbone of the Buffalo Bill museum of LeClaire, a non profit educational corporation. Since 1957, when the Women’s Club of LeClaire founded the museum it has depended on volunteers for its existence. The benefits of volunteering include a sense of satisfaction and accomplishment that you are providing a service to your community. You will meet local people with similar interests. Our visitor come from all states and many nations. You will become an ambassador for the community and history. As a Volunteer you can give as many hours as wish. Some volunteers work a partial day a week, some work occasionally. Every hour is needed and appreciated .
